

INVITATION TO INFORMATION MEETING | 2 MAY 2017

GET TO KNOW THE NOVO NORDISK FOUNDATION

The Novo Nordisk Foundation awards grants for research within biomedicine, general practice and family medicine, nursing and art history, biotechnology and early stage innovation. The Novo Nordisk Foundation awarded DKK 4.2 billion in grants in 2016, and the foundation plans to increase grants funding in 2017.

At the information meeting representatives from the foundation will present its funding programmes and answer questions from future applicants.
