Recommended browsers

**Recommended browsers using ProMark:**

AU IT recommends that you use Chrome or Firefox using Windows PC and Safari using Mac.

Recommended browsers using ProMark:

- Firefox version 40 or newer version
- Google Chrome version 45 or newer version
- Safari version 6 or newer version
- Microsoft Internet Explorer version 10 (not compatibility mode) or newer version

If you want to use Internet Explorer, it is important to notice, that it must NOT be in compatibility mode.

If you need help using or installing your browser please contact your local IT support:
