Repayment of remaining advance
Applicable in connection with the repayment of a cash advance.
When you have received an advance for a trip and you have subsequently filled in your travel claim and this shows that you are required to repay any remaining advance, you must pay the amount via online banking or an ordinary bank into the AU bank account indicated below:

Reg. no.: 0216
Account no.: 4069053238

It is very important that you state your AU ID and AURUS document number as a reference for your payment.

Once Rejsegruppen (the travel team) has recorded your payment, the advance will be finally settled in AURUS.

Do you have any questions about the rules concerning repayment?
You are welcome to call the accounts hotline on tel.: +45 8715 0515, or send an email to: rejser@adm.au.dk.
