

Participate in this true trans-facultarian

# AU GIS event

with presenters from Archaeology, Computer Science, Bioscience, Health, Environmental Science, Agroecology, Engineering aso.

Sign up at

<https://events.au.dk/GIS2019>

before November 17

If you would like to **present your results or work in progress**, you can also register this at the above link as either a 20 minute plenary presentation, a poster or a booth at the marketplace before October 15

**No admittance fee, you can win something**  
- AND we serve a free sandwich if you have signed up

**Aarhus University on Tuesday, November 26, 2019, 9:30 am to 4 pm**

Location: The Lakeside Auditoriums, Merete Barker Auditorium 1253-211

The seminar is hosted by the AU GIS Committee
