

### **Season's greetings**

The holiday season is approaching, and the AU Summer University Team would, therefore, like to wish you Happy Holidays and a wonderful New Year.

Before leaving for the holidays, we would also like to share some relevant information about the process until AU Summer University 2025.

### **Course page and application**

On [the AU Summer University website](#), you can now find the published course pages including course descriptions.

Please make sure to carefully read your published course page and description. If you find any misinformation, please make sure to contact us before the application opens on 3 February 2025.

### **Information website for AU Summer University guest lecturers**

On [the information website for AU Summer University guest lecturers](#), you can find practical information about the process from when your course is selected until you have graded the last student in your Summer University course

### **Housing services**

In January you will receive further information about the housing services offered during AU Summer University 2025. You will be asked to indicate your housing preferences and plans for your stay.

### **Course status, travel and housing arrangement**

After the application deadline in the beginning of April, you are informed about whether your course is confirmed or cancelled.

After this, we encourage you to make your travel arrangements. We would greatly appreciate it if you could consider the most economical route. Your travel expenses will be reimbursed in August/September 2025.

In addition, you will be asked to confirm your housing preferences and plans for your stay to begin the application and/or reservation process. If you wish to arrange housing on your own, we encourage you to make the final arrangements once you have been informed about the status of your course.

If you have any questions, please contact us at [summeruniversityguestlecturers@au.dk](mailto:summeruniversityguestlecturers@au.dk).

We look forward to seeing you in Aarhus during AU Summer University 2025.

Best regards from the AU Summer University Team  
Kaja, Troels, Tine, Tina, and Helene
