

Innovation Fund Denmark

RESEARCH, TECHNOLOGY & GROWTH

Information meeting with Innovation Fund Denmark at Aarhus University, March 4, 2016

The information meeting will focus on the funding instruments offered by the foundation

Innovation Fund Denmark is the new, big player in the Danish research and innovation landscape. The foundation has 1,25 bn. DKK each year at its disposal and invests in entrepreneurs, researchers and businesses with knowledge and ideas, that create growth and jobs in Denmark.

The information meeting takes place:

Time: Friday, March 4, from 12.30-14.00

Venue: Aarhus Universitet, Aarhus campus, Building 1441, Room 012, Aud. 1, Tåsingevej ([See map](#))

Programme

12.30-13.30: Presentation

- What is Innovation Fund Denmark?
- What can you apply for and what criteria are being used when evaluating applications? You will hear about the Talent Instruments, the Innoboster and not least Grand Solutions (formerly Large Scale Projects).

13.30-14.00: Open session

- You can ask staff from Innovation Fund Denmark questions about your own project.

The information meeting will be held in English.
