TIL ORIENTERING

Arts Studenterpanel fortæller om deres *genstart efter coronanedlukningen 2021*

Ni studerende fra Arts Studenterpanel* gav i november et indblik i deres oplevelser af at komme tilbage på campus efter coronanedlukningerne.

[Se her](#), hvad de sagde om:

- At være studerende under nedlukningen og hvordan de oplevede at komme tilbage.
- Hvordan de navigerer rundt i AU's systemer, og hvordan de prioriterer i deres studieliv.
- Deres anbefalinger til, hvad en god genstart skal indeholde, hvis det skulle blive aktuelt igen...

**Arts Studenterpanel består af knap fyrrer studerende fra de tre institutter på Arts, som frivilligt har meldt sig til at komme med input til studie- og karrierevejledningen på Arts.*

Hvis I har spørgsmål til indsigterne kan I skrive til Amanda (atim@au.dk) eller Maria (mask@au.dk) fra Vejledning og Studieinformation.

Tilstedeværelseskravet F22

Fakultetsledelsen har besluttet, at tilstedeværelseskravet i forbindelse med undervisningsdeltagelse ikke er gældende i foråret 2022. Baggrunden er, at foråret 2022 som det forgangne efterår, er påvirket af risiko for karantæne for både studerende og undervisere. Det betyder, at de regler, som i efteråret 2021 gjaldt for tilstedeværelse, fortsætter med at gælde - og det både når undervisningsdeltagelse er et forudsætningskrav og en prøveform. Dvs. studerende skal leve op til krav om tilfredsstillende undervisningsdeltagelse ved at deltage i de aktiviteter, som underviser fastsætter ved undervisningens begyndelse, jf. Studieordningen.

Studieordningerne opdateres pr. 01.02.2022, så reglen fremgår heraf.

Opdatering af studieportalen med nye medlemmer i studienævn og uddannelsesnævn

[Studieportalen](#) opdateres pr. 1. februar 2022 med de nye medlemmer af studienævn og uddannelsesnævn og efter konstituering også med angivelse af hhv. forpersoner og næstforpersoner.

Attendance requirement in spring 2022

The faculty management team has decided that the attendance requirement associated with lecture participation in the teaching does not apply in the spring of 2022. This is because there is a risk that both the students and the teachers may be affected by Covid-19 quarantine regulations in the spring of 2022 – just as they were in the autumn. As a result, the attendance rules which applied in the autumn of 2021 will continue to apply both when lecture participation is a prerequisite for taking an exam, and when lecture participation is the form of examination. Students must comply with the requirement for satisfactory participation by taking part in the activities defined by the teacher at the start of the teaching in accordance with the academic regulations.

The academic regulations will be updated as of 1 February 2022 to include this rule.

The [study portal](#) was updated as of 1 February 2022 to include new members of the board of studies and degree programme boards, with the chairs and deputy chairs being added once they have been appointed.
