

## Information about expected childbirth and leave

### Parental leave form 1 (prior to childbirth)

### *PhD students on part A (4+4 scheme) of the PhD degree programme*

The form is used by PhD students to inform the graduate school about the expected date of delivery/expected date of receiving an adopted child as well as absence in this connection.

The completed form must be submitted to the PhD administration **no later than three months before the expected date of delivery/expected date of receiving the adopted child at your home.**

You must inform the PhD administration of the actual date of delivery and the actual period of leave **no later than 6 weeks after birth/receiving the adopted child** by submitting Parental leave form 2 (*Application for extension of the PhD degree programme/PhD fellowship due to childbirth/adoption*).

The father:

If the leave starts before 6 weeks after the birth/adoption you must inform the PhD administration of the actual date of birth and start of leave **as soon as possible after your child is born/adopted and no later than at the commencement of your leave** by submitting Parental leave form 2 (*Application for extension of the PhD degree programme/PhD fellowship due to childbirth/adoption*).
