

Where can I see the contact details of co-assessors?

If you click the **Co-assessors** button above the participant list, you can see the names and contact details of your co-assessors.

By turning on the check box next to one or more of the co-assessors, you can filter the participant list so that only participants you share with these co-assessors are displayed.

The screenshot shows a web interface for a marking tool. A modal window titled "Co-assessors" is open, displaying a list of internal assessors. The first assessor, "Morten", is selected with a checkmark. The modal also shows a "Deselect all" button and a message: "The list is filtered by assessor(s)".

Co-assessors × Deselect all
These are your co-assessors. If you select one or several assessors below, the list will be filtered to only show participants you are marking together.

Internal assessors

Assessor	Comments	Student Number	Similarity	Submitted
<input checked="" type="checkbox"/> Morten	2	25117792	m m m 20	...

The list is filtered by assessor(s)
