

Hvordan ser jeg kontaktoplysninger på mine medbedømmere?

Hvis du klikker på knappen **Medbedømmere** over deltagerlisten, kan du se navn og e-mail på eventuelle medbedømmere.

Hvis du sætter flueben ud for én eller flere af medbedømmerne, vil deltagerlisten blive filtreret, så der kun vises de deltagere, I er fælles om at bedømme.

The screenshot shows a web interface titled "Participants". At the top, there are buttons for "Download papers as a ZIP file", "The list is filtered by assessor(s)", and "Co-assessors". A search bar is also present. Below these is a table with columns for "Participant index" and "First name". The table lists four participants with indices 5, 4, 3, and 2. A dialog box titled "Co-assessors" is open, displaying a list of "Internal assessors". One assessor, "Jonas Thybo Hansen", is selected with a checkbox. Below the list is a "Deselect all" button. The dialog box also includes a message: "These are your co-assessors. If you select one or several assessors below, the list will be filtered to only show participants you are assessing together."
