

Guide to login – external assessors

1. Click on the link in the mail message you have received from the Study Administration OR go directly to the login page via this link: <https://stadsvip.au.dk/vip/>
2. Choose a language by clicking on one of the flags, and then click on the "Login" button.

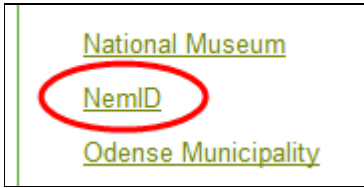

3. You will now see the WAYF page (**W**here **A**re **Y**ou **F**rom), where you must identify yourself using your NemID. If you do not have a NemID, you can order one here: <https://service.nemid.nu/dk-en/>. If you do not have a Danish CPR-number, please contact your Study Administration Centre for help.

Choose the English language version.

Click on "NemID" in the list (which for the most part is made up of names of institutions).
Scroll down to find it if necessary. The list is in alphabetical order.

4. Now use your NemID code card to log in.

The screenshot shows the "Det fællesoffentlige log-in – NemLog-in" page. At the top, there is a navigation bar with a folder icon and the text "Log på med nøglekort >" and a blue button with a key icon and the text "Log". Below this is a login form titled "NEM ID" and "NemLog-in- Offentligt Log-in-fællesskab". The form has two input fields: "Bruger-id" and "Adgangskode", each with a question mark icon to its right. Below the input fields is a link that says "Glem adgangskode?". At the bottom of the form is a button labeled "Næste". The background of the page features a large, faint watermark of a grid of numbers.

5. Click on "Yes, I accept" in order to complete your login to STADS-VIP.

WAYF 
Where are you from

You are about to log into EasyLog-in STADS AU Decentralised Results Registration.

The purpose is to register grades for students.

**The data below is required to access the service.
Do you accept to send it from Aarhus University to EasyLog-in
STADS AU Decentralised Results Registration?**

National ID number ⓘ urn:mace:terena.org:schac:uniqueID:dk:CPR: [REDACTED]

You are now ready to register results.
